The State licensure survey was conducted in conjunction with the Medicare recertification survey. The findings and conclusions of any investigation by the Health Division shall not be construed as prohibiting any criminal or civil investigations, actions, or other claims for relief that may be available to any party under applicable federal, state or local laws. The state license survey was conducted in accordance with Chapter 449, Home Health Agencies, adopted by the State Board of Health November 28, 1973, last amended November 17, 2005. The following regulatory deficiencies were identified: NRS 449.179 Initial and periodic investigations of criminal history of employee or independent contractor of certain agency or facility. 1. Except as otherwise provided in subsection 2, within 10 days after hiring an employee or entering into a contract with an independent contractor, the administrator of, or the person licensed to operate, an agency to provide nursing

If deficiencies are cited, an approved plan of correction must be returned within 10 days after receipt of this statement of deficiencies.

NRS 449.185 Termination of employment or contract of employee or independent contractor of certain agency or facility who has been convicted of certain crime; liability of agency or facility. 1. Upon receiving information from the Central Repository for Nevada Records of Criminal History pursuant to NRS 449.179, or evidence from any other source, that an employee or independent contractor of an agency to provide nursing in the home, a faculty for intermediate care, a facility for skilled nursing or a residential facility for groups has been convicted of a crime listed in paragraph (a) of subsection 1 of NRS 449.188, the administrator of, or the person licensed to operate the agency or facility shall terminate the employment or contract of that person after allowing him time to correct the information as required pursuant to subsection 2. Based on personnel record review, the agency failed to ensure the criminal background history results for 2 of 5 sampled employees (#1, #5). Findings include: There was no documented evidence to ensure Employee #1 and #5 had criminal background results from the Central Repository for Nevada.
